Table des planches
Indice delle tavole

Le tome IV du *LIMC*, qui paraît deux années à peine après le tome III, comporte pour le volume d'illustrations 630 planches avec un total de 3660 photographies, et pour le volume de texte 222 dessins au trait. On remarquera que le chiffre des planches est proportionnellement légèrement inférieur à celui du volume III. C'est que, au fur et à mesure que notre œuvre progresse, les dieux et héros d'un tome trouvent déjà, dans les volumes précédents, une partie de leur illustration, publiée à propos d'autres divinités ou héros avec lesquels ils sont en rapport. Dans la mesure du possible nous essayons d'éviter les répétitions, et nous nous efforçons de donner fréquemment non plus autant de détails des figures, mais les représentations dans leur ensemble, afin qu'elles soient plus aisément compréhensibles. Ainsi l'illustration du *LIMC* bénéficie progressivement de celle des tomes antérieurs.

Dans la collecte de ces images, la collaboration internationale continue à nous aider avec constance et désintéressement, grâce aux divers organismes (musées, éphories, surintendances, écoles archéologiques, instituts archéologiques) et aux personnalités qui en sont responsables aussi bien que grâce à d'autres collègues, à des amis et à des collectionneurs. Tous se sont

efforcés de nous aider à rassembler la documentation du tome IV: cela n'a pas toujours été facile, mais nous espérons y être parvenus. Comme pour les volumes précédents, beaucoup de musées et d'autres institutions ont renoncé à leurs droits de reproduction ou ont gracieusement offert les images qui composent notre volume de planches.

Que tous ceux qui ont ainsi collaboré à la réalisation de notre ouvrage trouvent ici l'expression de notre gratitude, avec l'espoir qu'ils ne seront pas déçus.
